TECHNOLOGICALLY-ADVANCED, QUALITY JOINERY SOLUTIONS

Operating under Chilfen Joinery Division, leading U.K companies Chilfen Joinery Ltd. and Chilfen Contracting Ltd. offer 100% British-made quality joinery solutions that are tailored to suit each customer's individual project needs. From superior design and manufacture to the provision of the highest level of service excellence from its team of experts, Chilfen Joinery is well positioned to provide its customers with consistent, first-class joinery solutions.

The division's two companies, Chilfen Joinery Ltd. And Chilfen Contracting Ltd., operate from their 33,000 sq. ft. Hertfordshire-based production facility located in Letchworth, to deliver a comprehensive range of advanced joinery solutions to businesses across the U.K.

With an ongoing commitment to investments in plant and machinery to ensure increased productivity and quality, the technologies on hand at Chilfen Joinery include:

- **ECOGATE Management System**
- **Computer Aided Beam Saw**
- **3 & 5 Axis CNC Machines**
- **Spray Booth & Drying Room**

- **Automated Spraying Machine**
- **BARGSTEDT Storage System**
- **HOLZMA Beam Saw**

The Chilfen Joinery division enjoys 'preferred supplier of choice' status with many long-standing partners and works closely with a wide array of companies, including main contractors, interior fit-out companies, contract office furniture suppliers and designers for retail brands, to deliver tailored joinery solutions.

For businesses looking for joinery solutions that never compromise on quality, functionality and design and are delivered on time and on budget, there is only Chilfen Joinery.
